In no other pulp such an arrangement has been entered into with the rubbish cart contractors. Since it is included in the agreement it will not be possible to alter or modify it now. Subject Employing a cart-man to remove refuse collected in the streets of Sidlaghatta town

--

Sir,

I have the honour to forward herewith the resolution of the Municipal Council passed at their meeting held on 29th June 1946 and the report of the president No A C 12/46-47 dated 30th August 1946 on the above subject and to state that hitherto no whole time cartman was appointed in the Municipality for attending to the removal of refuse but the same was being removed by a person selected by the Council who was given the privilege of using the refuse collected as manure free of cost This system did not work satisfactorily as the man selected was not removing the waste matter promptly and regularly The Council have resolved at their meeting held on 29th June 1946 to employ a whole time cartman on a pay of Rs 25/- per month in addition to allowing him to take the manure for his own use It is reported that the work has been entrusted to one

one Pari/appa from 1st July 1946 who has executed a stamped mutchalika that he would work under the supervision and control of the Municipal Staff as a whole time servant

In the interest of the sanitation of the town, the proposal of the Council to employ a cartman on Rs 25/- per month with the right of using the manure to himself may be tried for some time I therefore request you to kindly obtain sanction of Government to the resolution of the Municipal Council As no provision has been made in the current years budget for meeting this item of expenditure the extra cost will be met out of the closing balance of the Municipality

I have the honour to be,
Sir,
Your most obedient servant

Deputy Commissioner,
